We're a craft group for people who struggle with their mental health. We offer the chance to socialise as well as develop a range of creative skills, including textiles and sewing, card-making, painting and drawing.

We meet weekly on Thursdays, at the Eckington Library, Market Street, Eckington, S21 4JG between 12.30 pm - 2.30 pm
Please contact the group prior to attending

No experience is necessary - the group co-ordinators are experienced and on hand to help!
