

Professionals Webinar

We provide support for people 18+ in Surrey who are bereaved by suicide e.g family and friends & people exposed to suicide e.g. witnesses, first responders, neighbours, colleagues and health & social care professionals.

If you are a health and social care professional working in Surrey and want to know more about the service and how to refer into the service then come along to our virtual webinar sessions.

The next webinar is

**Thursday 9th February
2023 from 1pm-2pm**

The webinar lasts for just under an hour and will be held on Microsoft Teams.
