Bristol Community Services

Would you like support with your mental health?

About the Service

Our support works best when you feel ready to make a change in your life and are feeling able to meet regularly with a worker. We can support you if you are over 18 and live within the area covered by Bristol City Council.

Confidentiality

We believe in respecting and maintaining confidentiality. If you want to know more on how Rethink processes your data please visit our national website or click here:

Our areas of expertise

- Mental health
- Equality and diversity
- Cultural capability

How we can support you

Building confidence to access the community:

- Access leisure activities in your local area.
- Access public transport.
- Join a support group.
- Find volunteering opportunities.
- Accessing services that will support you to find paid work or a return to education.

"We work with everybody who has a mental health problem."

We use a person-centred approach spending time to identify what you would like to work towards. This involves a joint discussion with your Mental Health recovery coach to explore your needs and what goals you want to work on together.

You can be referred to our service

- You need strategies to improve your wellbeing.
- You need help moving on from hospital admission.
- You need gradual exposure to access the community.
- You want to find structure and support to gradually improve your level of activity.

How the service helps people

- Improved confidence.
- Achieve goals.
- Increased motivation.
- Feel connected to your community.

What is out there
