

We're very sad to announce....

# The Wiltshire Mental Health Inclusion Service will be closing from the 30 June 2025

Since 2020, Rethink has been proud to deliver the Inclusion support service across Wiltshire, supporting people to overcome isolation and engage more in their community.

The contract ends on 30 June 2025 so we will no longer be able to continue to provide this service.

Due to the current numbers of people already being supported, and those on a waiting list, we are ceasing accepting new referrals from 1 March. This will allow us to support as many people already waiting before 30 June.

We'd like to reassure anyone who uses this service that other options are available, and support will still be accessible from 1 July.

You will be supported by staff throughout the transition, who will provide information about how to access other support services from 1 July.

If you have any questions, or would like to discuss this further, please continue to call us on **07467 764171** until 30th June. You can also email us on **[WiltsMHIS@rethink.org](mailto:WiltsMHIS@rethink.org)**

All parties involved will be working together to ensure a smooth exit from this contracted service. People who still require help at the end of the contract will be able to access alternative support. More details on this will be provided at the appropriate time.
